About Activity

Bombay Institute of Pharmacy & Research organized-

Innovative & attractive name suggestion competition was organized by the window display committee of Bombay Institute of Pharmacy and Research for the students of first year B. Pharmacy & D. Pharmacy on 30th November, 2023. Total 44 students from D. Pharmacy & B. Pharmacy participated in the competition through online google form.

Ms. Sanika Deepak Pansare from first year B. Pharmacy declared as winner of Innovative & attractive name suggestion competition for "Window Display"

Name Suggested: Pharmacy Panoram

Meaning:

Pharmacy: Clearly identifies the subject matter. The term "Pharmacy" directly communicates that the content is related to pharmaceuticals, medicines, and healthcare. Panorama: Implies a wide, sweeping view. This word choice suggests that the display provides a comprehensive and inclusive perspective on the field of pharmacy. It may encompass various aspects such as research, development, patient care, and the overall pharmaceutical landscape. Together, "Pharmacy Panorama" conveys the idea of a broad, encompassing view into the world of pharmacy, making it an intriguing and accessible title for a display or presentation.
